

# SMARTRIDER

SmartRider is the electronic ticketing system available to everyone who uses Transperth trains, buses or ferries. Servite College has negotiated with the Public Transport Authority (PTA) to issue SmartRider cards (free for the initial card).

The information that will be released to the PTA is a student photo, student name, date of birth, address and SCASA student number.

The PTA must comply with the privacy requirements for the public sector and as such will only be issuing the information provided by the College for the issuance of the Student SmartRider concession card.

SmartRider cards will be issued within the first few weeks of school.

If the SmartRider card is lost, a new card can be ordered through Student Reception upon payment of \$5.00.

Should you have any queries, please contact Servite College Student Reception or the Transperth Infoline on 13 62 13.
