

WHO DO I SPEAK TO IF I HAVE CONCERNS?

If you have concerns regarding your child at any stage of their schooling, it is best to inform the school so that we are able to support where possible. Whether the concern relates to your child's academic progress, behaviour or emotional well-being, there are different people whom you can approach at the school. If the concern is related to your child's academic progress in a particular subject, you may discuss your concerns with the **Subject Teacher**. Other people who you can discuss your concerns with are your child's **Homeroom Teacher**, **Head of Community** or **Assistant Deputy Principal**. Servite also has a **College Counsellor** who is able to offer support in a number of areas.
