

My PathWay

Learning your way

At Servite we personalise the learning journey for every student. We build on each student's strengths and offer pathways that meet their academic and personal needs. Aligned with future work and study skills, at Servite we develop Researchers, Innovators and Entrepreneurs.

Choosing your pathway

Select the pathway that matches your strengths and goals:

- **Uni MyWay** offers personalised approaches to **university** entry
- **Voc MyWay** offers personalised entry to **vocational** education and training

My PathWay

Discover your pathway

Uni MyWay ATAR 4+

Choose a minimum of four ATAR courses to match your strengths and goals

- I have clear goals for university study
- I can work independently
- I am good at self regulation when studying, and ensure that I maximise my learning time
- I am prepared to study three hours a night minimum, six days a week
- I have a range of interests but particular strengths in one or two subjects where I am achieving very high grades
- I cope well with exams and am able to demonstrate my learning this way
- I enjoy higher order thinking and applying my knowledge across different subjects and to different contexts
- I exercise initiative in applying thinking skills critically and creatively to recognise and approach complex problems
- I always question what I see, read or hear
- I am resilient, diligent and always work to the best of my ability
- I enjoy challenging myself against benchmarks
- I am content and skills focused and always wanting to find out more

Uni MyWay FlexiTrack / UniReady

Choose a mix of ATAR and General courses plus FlexiTrack (Murdoch) and UniReady (Curtin) to match your strengths and goals

- I want a flexible pathway to university
- I am a critical thinker
- I have good collaborative skills
- I take on teacher feedback and act on it to improve my learning
- I manage diverse commitments outside of school (sport/work/community)
- I have sound literacy skills and can achieve success in Year 11 English ATAR
- I have varied interests and usually one subject I am really passionate about
- I will work hard to learn and am open to new ideas
- I like to show my learning in lots of different ways; discussion, writing, oral presentations
- I sometimes find that exams are not the best way for me to demonstrate how much I have learned
- I am conscientious, manage my time effectively and determined to achieve
- I achieve success when I am given time, direction and support to work on a task
- I enjoy learning if it is made relevant to me and I understand the 'big picture'

Voc MyWay

Choose a mix of General courses plus Careers and Enterprise, Workplace Learning and Certificates to match your strengths and goals

- I want to be successful in industry, am proactive and prepared to drive my career development
- I have the will, I just need to learn the skills
- I am good at problem solving and collaborate well with my peers
- I am hardworking and able to take direction
- I am practical, like to see the job completed and enjoy trying 'true to life' activities
- I am entrepreneurial and am always thinking of how things can be done better
- I like to create products that reflect my hard work
- I have enjoyed subjects at school where I have been able to be active in 'doing', 'creating' or 'showing' my learning
- I would like to explore different careers, trades and opportunities
- I am focused, persistent and committed to succeeding in my career
- I am really motivated by completing projects that are important to me
- I enjoy learning in a context that matches with my interests
