Now what should we do... we have all this land, yet we are barely known. I have been told Pope Leo is going to pronounce me as Emperor... but what if that does not happen. I mean, at least I have got this land and I can control lots of Europe now. But still, I need to be known for something, like, I took the land of so many others - including my brother's children - so why are not I known for anything. #whoami #whyaminotknown #lwanttobeknown

Cannot believe Carloman's children thought they could take some of the kingdom. Like they have a chance against me, LOL!! #can'trelate #notgonnahappen
